ISC West 2010

Booth# 7038 Las Vegas NV
March 23rd – 25th

We would like to extend a personal invitation for you to visit with us at booth #7038 at ISC West. **IDView Technologies Inc.** will be showcasing our complete digital solutions for visitors of the *ISC West Annual Convention*.

We look forward to introducing our innovative products, including:

- Wireless LAN Camera powered by solar panel
- D1, real time, 64 ch network video server with patented decoding technology
- License Plate cameras with varying driving speed between 19- 112 MPH
- 360/180 degree mega pixel camera
- auto tracking PTZ, DVR

We will be offering hands-on demonstrations and a chance to meet with our factory reps at the show. We would like to schedule a time to visit with you between Tuesday, March 23rd and Thursday, March 25th. We will need your cell phone number to confirm your time.

Please contact us at (800) 379-7226 as soon as possible to RSVP to this invitation. We would also like to invite you to check us out from the March issue of Security Product Magazine; we are referenced on page 12 and page 140.

We set the trend with affordable Technology
